

## TESTING OFFICER COURSE - 2008

### **Course description –**

It is essential that the correct procedures be followed to fulfil a company substance misuse policy (drugs and alcohol policy).

We provide best practice drug testing 'competent persons' practical training for various collection methods and standards ensuring that the most up to date protocols are followed.

On-site screen testing using instant in-vitro onsite substance of abuse screen test devices and equipment current with best practice for companies who conduct/propose substance of abuse testing of employees.

Our onsite substance of abuse screen testing 'competent persons' training is for managers, health service providers or occupational health staff who are responsible for pre-employment, follow-up, for-cause, suspicion, random or post accident/incident testing including a full substance of abuse, addiction awareness and treatment options.

Training also includes the chain of custody procedures.

All delegates will receive certification as 'Competent to conduct instant substance of abuse on-site screen testing' following current best practice procedures.

Included:	Training manual, speaker notes and test devices.
Duration:	4 days
Examination:	Open book
Certification:	"competent screen testing officer"
Minimum Pax:	12
Maximum Pax:	15
Price per delegate:	On Request

All courses are presented in English

Please feel free to contact us should you require more information.
